### THE CONNECTION BETWEEN REVIVAL AND PREPARING THE WAY FOR THE LORD

The Lord is getting his people ready for the harvest; he is preparing his bride. There are many obstacles that need to be cleared out in order for us to see the harvest come in. We must get rid of distractions and some old ways and habits that are contrary to what God is saying. We do not want to be offended at the leadership of Jesus; Jesus must be elevated above all things. God is making everything new. There is a divine rearranging taking place; a sense of something going and the new thing coming. Everything that we do must be led by the Spirit. We must only move when God says move. We must be courageous and walk in obedience. God is restoring a childlike dependency in His people. There will be uncertainty, but that is expected. We will face challenges (concerning relationships, finance, facing fear etc.) But we are called to trust God and live by faith. There is an invitation for everyone and our desire is that all will come on board with this journey of preparation.

### KEY SCRIPTURES - WHAT DOES THE BIBLE SAY?

**Matthew 9:35-38:** The harvest is plentiful; it's time to pray for and raise up workers to go out and share Jesus.

**Isaiah 43:19, Isaiah 40:3:** The Lord is doing something new! It is a time of bringing low and levelling out in preparation for the Lord's coming.

**John 3:5, Zechariah 4:6:** We must be born of water and the Spirit. It's not by our strength or power, but by the help of the Holy Spirit that we will enter the new.

**Matthew 6:33, Matthew 11:6:** We must seek first God's kingdom and his righteousness. We will find blessing when we are obedient to God's Word and His leadership.
